+91 7225899869 Email: [jagatipriyansh01@gmail.com](mailto:jagatipriyansh01@gmail.com) [Linkedin Profile](#) Noida, India

## CAREER OBJECTIVE

A recent postgraduate with hands-on internship experience in Business analysis, market research, and stakeholder communication, I bring a strong foundation in structured problem-solving and business analytics. Proficient in Excel, Power BI, and SQL, I have developed dynamic dashboards and visualizations to generate actionable insights and support data-driven decision-making. I am eager to contribute as a Business Analyst by driving insights that support strategic growth and operational efficiency.

## EDUCATION

I Business Institute, Greater Noida:	Post-Graduate Diploma in Management	Jun 2024 – Apr 2026
St Aloysius College, Jabalpur:	Bachelor of Business Administration; (AGPA: 6.8/10)	Apr 2021 – Apr 2024

## SKILLS SUMMARY

- Languages:** SQL, English, Hindi
- Technical Skills:** Advanced Excel, Power BI, Tableau, MySQL
- Analytical Skills:** Business Intelligence, Data Cleaning, KPI Analysis, Presentation
- Soft Skills:** Communication, Interpersonal Communication, Decision Making

## INTERNSHIPS

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                            |
